ARTICLE 12
EMPLOYEE RIGHTS-GRIEVANCE PROCEDURE

12.1 **Definition of a Grievance:** A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement.

12.2 **Union Representatives:** The employer will recognize representatives designated by the union as the grievance representatives of the bargaining unit having the duties and responsibilities established by this Article. The union shall notify the employer in writing of the names of such union representatives and of their successors when so designated.

12.3 **Processing of A Grievance:** It is recognized and accepted by the union and the employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee and the union representative shall be allowed a reasonable amount of time without loss in pay when a grievance is investigated and presented to the employer during normal working hours provided the employee and the union representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the employer.

12.4 **Procedure:** Grievances, as defined by Section 12.1 shall be resolved in conformance with the following procedure:

Step 1: An employee claiming a violation concerning the interpretation or application of this Agreement shall, within 15 calendar days after the alleged violation has occurred or the employee knew or should have known the alleged violation has occurred, present such grievance to the employee's supervisor as designated by the employer. The employer-designated representative will discuss and give an answer to such Step 1 grievance within 10 calendar days after receipt. Any grievance not appealed in writing to Step 2 by the union within 10 calendar days shall be considered waived.

Step 2: A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, and the remedy requested and shall be appealed to Step 2 within 10 calendar days after the employer-designated representative's final answer in Step 1. If appealed, the written grievance shall be presented by the union and discussed with the employer-designated Step 2 representative. The employer-designated representative shall give the union the employer's Step 2 answer in writing within 10 calendar days after receipt of such Step 2 grievance. Any grievance not appealed in writing to Step 3 by the union within 10 calendar days shall be considered waived.

Step 3: A grievance not resolved in Step 2 may be appealed to Step 3 within 10 calendar days following the employer designated representative's final Step 2 answer. If appealed, the written grievance shall be presented by the union and discussed with the employer designated Step 3 representative. The employer designated representative shall give the union the employer's answer in writing within 10 calendar days after receipt of such Step 3 grievance. Any grievance not appealed in writing to Step 4 by the union within 10 calendar days shall be considered waived.

Step 4: A grievance not resolved in Step 3 may be appealed to Step 4 within 10 calendar days following the employer designated representative's final answer in Step 3. A grievance unresolved in Step 3 and appealed to Step 4 shall be submitted to arbitration subject to the current provisions of the Public Employment Labor Relations Act. The selection of one neutral arbitrator shall be made from a list of 5 arbitrators provided by the Bureau of Mediation Services (BMS). The union and employer shall each strike 2 arbitrators from the list submitted by BMS.

12.5 **Arbitrator's Authority:**

A. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the employer and the union, and shall have no authority to make a decision on any other issue not so submitted.

B. The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within 30 days following the close of the hearing or the submission of briefs by the parties, whichever be the later, unless the parties agree to an extension. The decision shall be binding on both the employer and the union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.

C. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the employer and the union provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

12.6 **Waiver:** If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the employer's last answer. If the employer does not answer a grievance or an appeal thereof within the specified time limits, the union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual agreement of the employer and the union.

12.7 **Choice of Remedy:** If, as a result of the employer response in Step 3, the grievance remains unresolved, and if the grievance involves the suspension, demotion, or discharge of an employee who has completed the required probationary period, the grievance may be appealed either to Step 4 of Article XII or a procedure such as: Civil Service, Veteran's Preference, or Fair Employment. If appealed to any procedure other than Step 4 of Article XII, the grievance is not subject to the arbitration procedure as provided in Step 4 of Article XII. The aggrieved employee shall indicate in writing which procedure is to be utilized, Step 4 of Article XII or another appeal procedure, and shall sign a statement to the effect that the choice of any other hearing precludes the aggrieved employee from making a subsequent appeal through Step 4 of Article XII.

Except that with respect to statutes under the jurisdiction of the United States Equal Employment Opportunity Commission, an employee pursuing a statutory remedy is not precluded from also pursuing an appeal under this grievance procedure. If Equal Employment Opportunity Commission v. Board of Governors is overruled, this paragraph will be null and void and shall be deleted.

ARTICLE 13 SENIORITY

13.1 Seniority will be the determining criterion for transfers and promotions only when all job-relevant qualification factors are equal.

13.2 In the event of a layoff, the least senior employee in the category in which the discontinuance of position occurs shall be laid off first. For purposes of layoff the following categories shall be utilized: working foreman; technical specialist/fleet mechanic; licensed utility worker; and general maintenance. If the discontinuance of a position in the category of working foreman, technical specialist/fleet mechanic, or licensed utility worker results in the layoff of an employee with more seniority than the least senior employee in the general maintenance category, that employee may bump the least senior general maintenance worker. The City reserves the right to reassign any employee to fill the position vacated by the layoff, as long as such reassignment does not result in a loss of pay or benefits.

13.3 Seniority will be the determining criterion for recall only when all job-relevant qualification factors are equal. Recall rights under this provision will continue for 12 months after layoff. Recalled employees shall have 10 working days after notification of recall by certified mail at the employee's last known address to report to work or forfeit all recall rights.

**ARTICLE 14
INSURANCE**

- 14.1 The employer will contribute up to a maximum of \$930 per month toward employer-sponsored health, dental, and life insurance in 2018 for an employee enrolled in the copay health plan option.

The employer will contribute up to a maximum of \$1240 per month toward employer-sponsored health, dental, and life insurance in 2018 for an employee enrolled in a high deductible health plan option, plus an additional \$80 per month to the enrolled employee's HRA or HSA account.

For 2019, this section shall be subject to a contract re-opener.

- 14.2 Any costs beyond the amounts payable by the employer in Article 14.1 and 14.3 shall be paid by the employee via payroll deduction except as provided elsewhere in this agreement. Dependent and part-time employee insurance coverage and their availability shall be subject to the terms of the employer's group policy or policies.
- 14.3 An employee who selects single health plan coverage shall receive a payment based on the difference between the employer's maximum contribution for Insurance and the cost of the employee's insurance program as described below. The payment shall be made as taxable income unless directed elsewhere as according to law.
- a. If the monthly difference is less than \$30.00, there shall be no payment.
 - b. If the monthly difference is between \$30.00 and \$59.99, the payment shall be \$30.00 per month.
 - c. If the monthly difference is \$60.00 or more, the payment shall be \$60.00 per month.
- 14.4 If the City offers a long-term disability plan paid for by the City, employees shall, subject to applicable provisions of the IRS Code, pay the tax on the premium for the long-term disability plan.

**ARTICLE 15
INJURY ON DUTY**

- 15.1 An employee, who is, in the ordinary course of employment, while acting in a reasonable and prudent manner and in compliance with established rules and procedures of the employer, injured during the performance of the employee's duties and thereby unable to work, shall be paid the difference between the employee's regular pay and the Workers' Compensation insurance payments for a period not to exceed 720 scheduled working hours per injury, not charged to the employee's leave or other accumulated paid benefits, after a 24 scheduled working hour initial waiting period per injury. The 24 hour scheduled working hour waiting period shall be charged to the employee's leave account less Workers' Compensation insurance payments, if any, for said 24 scheduled working hour period. Any injury that does not result in compensation under the Workers' Compensation law shall not be compensable under this Article.

**ARTICLE 16
HOLIDAYS**

- 16.1 Full-time employees shall receive the following paid holidays: New Year's Day, Martin Luther King, Jr. Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving, Day after Thanksgiving, Christmas Day, Christmas Floater (December 23 if December 25 is a Saturday or Sunday, December 24 if December 25 is a Tuesday, Wednesday or Friday, or December 26 if December 25 is a Monday or Thursday).
- 16.2 Whenever any of the above holidays fall on a Sunday, the following day shall be designated as the holiday.
- 16.3 Whenever any of the above holidays fall on a Saturday, the preceding day shall be designated as the holiday.
- 16.4 Any shift which commences on a holiday, for purposes of this clause, shall be considered as having entirely occurred on the holiday. All scheduled hours worked on holidays shall be compensated as overtime.

16.5 Full-time employees shall receive one paid Personal Floating Holiday per calendar year in the amount of 8 hours. The Personal Floating Holiday shall be used in an increment of 8 hours. Any Personal Floating Holiday not used during the calendar year shall be forfeited.

ARTICLE 17 ANNUAL LEAVE

17.1 All bargaining unit employees are eligible to accrue annual leave.

17.2 Eligible employees shall earn annual leave in accordance with the following schedule. An employee's initial date of employment shall be used to determine the appropriate hours of annual leave to be accrued.

(1)	0-5 years	=	4.62 hours per 2 weeks of work (3 weeks annually)
(2)	6-10 years	=	6.16 hours per 2 weeks of work (4 weeks annually)
(3)	11-15 years	=	7.69 hours per 2 weeks of work (5 weeks annually)
(4)	16-20 years	=	8.31 hours per 2 weeks of work (5.4 weeks annually)
(5)	20+ years	=	9.23 hours per 2 weeks of work (6 weeks annually)

17.3 Annual leave shall be taken either as planned leave which will be scheduled in advance; or, unplanned leave which will require notification to the City within a timely manner of the employee's scheduled work day.

17.4 The City will place into effect a short term disability insurance policy to be effective following 21 calendar days of continuous absence due to illness or injury. An employee shall be eligible to collect the short term disability benefit until the employee becomes eligible for long term disability or 6 months following the date of the qualifying injury or illness, whichever occurs first. The City may request, at any time, that an employee provide a medical doctor's statement including verification of illness and/or ability to return to work.

17.5 An employee shall be eligible to continue to receive the City's insurance contribution, in accordance with Article XIV, toward the purchase of group insurance during the period of time the employee is receiving short term disability insurance benefits, not to exceed six (6) months from the qualifying date of illness or injury.

17.6 The City will, upon request, pay the employer contribution amount due to PERA for an employee's purchase of service credit and salary from an authorized short term disability leave of absence if all of the following conditions are met:

- 1) The request is received by the City no later than 120 days after the end of the employee's authorized short term disability leave of absence; and
- 2) The employee has returned to full, unrestricted duty actively working a regular full-time schedule with the City; and
- 3) The employee provides the City with evidence of payment of the Employee contribution amount due to PERA.

17.7 Annual leave shall not be earned by an employee for any period during which the employee is not being paid. An employee shall not be eligible to be compensated for annual leave, or earn additional annual leave during the time an employee is receiving disability insurance payments.

17.8 Annual leave may not accrue in excess of 800 hours. Any hours in excess of 800 shall be forfeited.

17.9 Planned annual leave may be denied or approval withdrawn when the granting of such planned annual leave would result in insufficient personnel to carry out necessary functions as deemed appropriate by the City.

- 17.10 If use of unplanned leave suggests abuse, the City shall notify the employee of this concern. If such abuse continues the City may deny future unplanned leave requests. The City may request, at any time, that an employee provide a medical doctor's statement including verification of illness and/or ability to return to work.
- 17.11 An employee who has an accrued, unused annual leave balance of 160 or more hours shall be eligible to cash out up to 16 hours of annual leave once per calendar year.
- 17.12 An employee who leaves the employment of the City in good standing shall be compensated for all accrued and unused annual leave at the time of separation of employment.
- 17.13 An employee shall not be permitted to waive annual leave for the purpose of receiving double pay.

**ARTICLE 18
UNPAID LEAVES OF ABSENCE**

- 18.1 Employees may request an unpaid leave of absence from the employer through their immediate supervisor. Such leaves may be granted at the sole discretion of the employer.

**ARTICLE 19
BEREAVEMENT LEAVE**

- 19.1 A full-time employee will be provided up to three (3) days of bereavement leave in the event of a death in the immediate family. Immediate family is defined as: spouse, parent (including stepparent or legal guardian), child (including stepchild/foster child), sibling (including stepsibling), grandparent, grandchild, aunt/uncle, parent-in-law, grandparent-in-law, brother/sister-in-law, and son/daughter-in-law.

A scheduled shift of 8 hours includes 8 hours and 30 minutes of clock time. For work during non-scheduled time, an employee may take without pay, unless it would interfere with emergency type work, a 30 minute meal period after 5 consecutive hours of work.
- 21.2 An employee may take a 15 minute rest period, with pay, after having worked at least 2 hours, but not more than one rest period shall occur each 5 hours. The time and location of rest periods may be determined by the employer.

**ARTICLE 22
WORK SCHEDULES**

- 22.1 The sole authority in work schedules is the employer's. The normal work day for an employee shall be the employee's scheduled shift. The normal work week shall be 40 hours Monday through Friday.
- 22.2 Service to the public may require the establishment of regular shifts for some employees on a daily, weekly, seasonal, or annual basis other than their normal work day. The employer will give 7 days advance notice to the employees affected by the establishment of work days different from the employee's normal work day. The seven (7) days advance notice may be waived by mutual consent of the employee and the City.
- 22.3 In the event that work is required because of unusual circumstances such as, but not limited to, fire, flood, snow, sleet, pandemic outbreak or breakdown of municipal equipment or facilities, no advance notice need be given.

- 22.4 Service to the public may require the establishment of regular work weeks that schedule work on Saturdays and/or Sundays and/or holidays.
- 22.5 The number of hours in the normal calendar work year for a full-time employee shall be based on 2080 annual hours. Hours worked on scheduled shifts and hours of compensatory time used, annual leave, and holiday leave shall collectively comprise the work hours in a calendar year.

**ARTICLE 23
OVERTIME PAY**

- 23.1 Hours worked in excess of the employee's scheduled shift within a 24 hour period (except for shift changes) or more than 40 hours within a 7 day period will be compensated at 1½ times the employee's regular base pay rate. Any 7 day period commences on a Saturday.
- 23.2 An employee who is called back to work on any of the following holidays shall be eligible to receive double time pay for time worked on the actual holiday, not the date the City observes the holiday. The holidays for which employees will be paid double time are shown on Appendix B of this Agreement.

New Year's Day	Veterans' Day
Martin Luther King, Jr. Day	Thanksgiving
Presidents' Day	Day after Thanksgiving
Memorial Day	Christmas Eve
Independence Day	Christmas Day
Labor Day	

- 23.3 An employee who is called back to work on a Sunday, when that Sunday is not a part of the employee's regularly scheduled shift, shall be eligible to receive double time pay for time worked on Sunday. If an employee is regularly scheduled to work on a Sunday in accordance with Article 24, the employee shall not be eligible for double time pay.
- 23.4 An employee may request compensatory time be placed in a leave bank in lieu of payment for earned overtime. Compensatory time shall be earned in accordance with the terms of this Article. The maximum time allowed to accumulate in an employee's compensatory leave bank shall not exceed 90 hours. An employee may only carry over 80 hours of compensatory time into the next year. Compensatory time off shall be scheduled with prior approval of the supervisor. An employee may opt to cash-out all, or a part of, the employee's compensatory time bank at the employee's current base pay rate by requesting the cash out at the end of any regular pay period. The maximum time deposited into an employee's compensatory time bank, exclusive of hours carried forward from the previous year, shall be limited to 160 in total per calendar year.
- 23.5 Overtime will be distributed as equally as practicable.
- 23.6 Overtime refused by employees will, for record purposes under Article 23.5, be considered as unpaid overtime worked.
- 23.7 For the purpose of computing overtime compensation, overtime hours worked shall not be pyramided, compounded, or paid twice for the same hours worked.
- 23.8 Overtime will be calculated to the nearest 15 minutes.

**ARTICLE 24
CALL BACK**

- 24.1 An employee called in for work at a time other than the employee's scheduled shift will be compensated for a minimum of 3 hours pay at 1-1/2 times the employee's base pay rate. An extension or early report to a scheduled shift does not qualify the employee for the 3 hour minimum. When an employee has been notified prior to the end of the employee's shift that the employee is to report in early the following day, the employee shall not be considered to have been called back. If the employee does not receive notice of early report during the employee's shift on the day prior, the employee will be considered to have been called back and will be paid 3 hours at 1-1/2 times the employee's base pay rate.

- 24.2 If the employer calls an employee the evening before to report for snowplowing the next morning, the employee shall be paid at 1½ times the employee's regular base pay rate beginning one hour prior to the scheduled report. The employee must report at the scheduled time. For example, if the scheduled report time is 3:00 a.m., the employee shall be paid beginning at 2:00 a.m.
- 24.3 If the employer calls an employee at or about 2:00 a.m. to report for snowplowing as soon as possible, the employee shall be paid at 1½ times the employee's regular base pay rate from the beginning of calling.
- 24.4 When the employer has called an employee to report early for snowplowing, compensation at 1½ times the employee's regular base pay rate will continue until the start of the normally scheduled workday. Upon the start of the normally scheduled workday, the employee will receive their regular straight time pay rate for the duration of the scheduled shift.

**ARTICLE 25
WORKING OUT OF CLASSIFICATION**

- 25.1 Employees assigned by the employer to assume the full responsibilities and authority of a higher job classification shall receive the salary schedule of the higher classification for the duration of the assignment.

**ARTICLE 26
WAGE SCHEDULE**

- 26.1 Employees shall be paid hourly salaries as listed in Appendix "A" of this Agreement.

**ARTICLE 27
SPECIALTY STIPEND**

- 27.1 An employee may be eligible for a stipend of \$0.25 per hour for attainment of a specialty license, certification, or comparable skill set following approval by the employer.
- 27.2 Payment under this article shall be limited to a maximum of two concurrent approved specialty stipends per eligible employee.
- 27.3 Payment under this article is subject to prior approval by the employer and evidence of attainment of the pre-approved specialty license, certification, or comparable skill set.
- 27.4 Payment for an approved specialty stipend will be made on a prospective basis only following: 1) approval by the employer, and 2) receipt of evidence of attainment of the pre-approved specialty license, certification, or comparable skill set. Payments shall not be retroactive to any date prior to approval of the stipend by the employer and receipt of evidence of attainment.
- 27.5 Payment will not be made for any period of time when the approved specialty license, certification, or comparable skill set is not maintained and in force. An employee receiving a specialty stipend shall notify the employer immediately upon any lapse, cancellation, or rescission of the approved specialty license, certification, or comparable skill set.

- 27.7 The employer will, once annually, provide to the employee a list of the employee's currently approved specialty stipends and their expiration dates.
- 27.6 The employer shall have sole discretion to determine the type and number of specialty stipends approved within each division.

The certification shall be signed by a qualified healthcare provider appropriate to make such certification.
- 28.3 A newly eligible employee under this section shall provide certification to the employer within 90 days after eligibility. Compensation shall be effective no earlier than the first day of the pay period following the date certification is received by the employer. If certification is not provided to the employer within 90 days after eligibility, the employee shall not be eligible for compensation under this section until the next calendar year.

**ARTICLE 29
PUBLIC WORKS UTILITIES DIVISION ON-CALL DUTY**

- 29.1 The Public Works Superintendent shall on November 30th of each year determine the number of employees that meet the qualifications for assignment to on-call duty pursuant to Public Works Policy 2.05, Section D for the following calendar year.
- 29.2 Based on the number of employees determined eligible, a determination shall be made of the minimum number of weeks each employee shall be assigned to on-call duty. Adjustments may be made if qualified employees separate from employment with the City and/or new employees meet the qualifications in the Policy.
- 29.3 Beginning with the most senior employee, employees shall select the weeks during which they shall be assigned on-call duty, provided that:
- a. No employee shall select consecutive weeks of on-call duty assignment
 - b. If employees are required to select four (4) or more weeks, at least one (1) week must be selected per quarter (January-March, April-June, July-September, October-December)
 - c. An employee may select more than the minimum number of weeks if they so desire with the consent of other employees wishing to minimize serving on-call assignments
 - d. Scheduled assignments shall be distributed among employees to avoid a concentration of on-call duty assignments involving holidays for less senior employees.
- 29.4 Once each employee has selected the minimum number of weeks of on-call duty assignment, remaining weeks shall be assigned one week at a time beginning with the least senior eligible employee and working up the seniority list until all weeks have been assigned.
- 29.5 Employees wishing to exchange on-call duty rotations with other eligible employees shall notify the Public Works Superintendent in writing signed by both employees involved in the exchange a minimum of one (1) week prior to the start of the rotation.
- 29.6 The City and the Union recognize that unforeseen circumstances that result in the need for immediate substitution of an employee assigned to on-call duty may occur. In that case, it shall be the responsibility of the employee assigned to on-call duty to contact another eligible employee to cover such period of time as the assigned employee is unable to provide on-call coverage. The employee assigned to on-call duty shall advise the Public Works Superintendent immediately upon the change in circumstances.
- 29.7 Employees assigned to an on-call duty rotation for Monday, Tuesday, Wednesday, or Thursday nights shall receive one and one half (1.5) hours at one and one-half times their current hourly pay rate. If designated to be on-call for Friday, they shall receive two and one half (2.5) hours at one and one-half times their current hourly pay rate. If designated to be on-call for Saturday or Sunday, they shall receive three and one-half (3.5) hours at one and one-half times their current hourly pay rate.

- 29.8 Employees assigned to on-call duty for holidays as defined by Article 16 shall receive four (4) hours at one and one-half times their current hourly pay rate.
- 29.9 For each on-call duty assignment, a maximum of one half (½) of the compensation hours under this article shall be eligible for conversion to compensatory time.
- 29.10 Compensation will be provided pursuant to the current AFSCME Labor Agreement when employees must respond on-site during non-business hours. An incident report will be completed and submitted to the Public Works Superintendent for each incident requiring an on-site response during non-business hours.
- 29.11 No additional compensation is provided for responding to issues that can be resolved by telephone (e.g., non-critical SCADA alarm acknowledgement or addressing resident questions by telephone) provided that time spent resolving such issues does not exceed one (1) hour per twenty-four (24) hour period. The employee shall keep a record of all issues resolved by telephone along with the amount of time spent on each call. If the time exceeds one (1) hour per twenty-four (24) hour period, one call back period as defined in the current AFSCME Labor Agreement shall apply.
- 29.12 If the employee serving on-call duty experiences fatigue as a result of responding to calls for service which has the potential to create an unsafe working condition for that employee:
- a. The Public Works Superintendent shall temporarily assume the on-call duties to allow the employee adequate rest to recover.
 - b. The employee's schedule shall be adjusted to allow for adequate rest if the work leading to the fatigue occurs between Sunday evening at 10:00 p.m. and Friday morning at 6:30 a.m. and requires them to rest into the beginning of their next regularly scheduled shift.
 - c. The employee will not be required to make up these hours or be required to work past the end of their normal scheduled shift but will be paid for their regular scheduled hours.

**ARTICLE 30
NON-DISCRIMINATION**

- 30.1 Neither the employer nor the union will discriminate under the provisions of this Agreement against any employee on any basis prohibited by law.

**ARTICLE 31

In the event any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provision shall be voided. All other provisions of this Agreement shall continue in full force and effect. The voided provision may be renegotiated at the request of either party.

**ARTICLE 32
WAIVER**

- 32.1 Any and all prior agreements, resolutions, practices, policies, rules and regulations regarding terms and conditions of employment, to the extent inconsistent with the provisions of this Agreement, are hereby superseded.
- 32.2 The parties mutually acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any terms or condition of employment not removed by law from bargaining. All agreements and understandings arrived at by the parties are set forth in writing in this Agreement for the stipulated duration of this Agreement. The employer and the union each voluntarily and unqualifiedly waive the right to meet and negotiate regarding any and all terms and conditions of employment referred to or covered in this Agreement or with respect to any term or condition of employment not specifically referred to or covered by this Agreement, even though such terms or conditions may not have been within the knowledge or contemplation of either or both of the parties at the time this contract was negotiated or executed.
