Brooklyn Park Firefighters Win

In the first-ever union election for part-time firefighters in Minnesota, 46 Brooklyn Park firefighters have joined AFSCME, forming Local 2839. Their election victory culminates a two-year battle in which they also won a legal ruling establishing their union rights.

Earlier this year, part-time firefighters in Roseville formed Local 2911. That happened without an election: The city granted recognition after a vast majority of eligible firefighters signed cards to create their union.

Mankato Clinic Now Costs Less

As of March 1, Mankato Clinic moves from Cost Level 3 to Cost Level 2 for executive and judicial branch workers in the State Employee Group Insurance Program. The change reduces members' out-of-pocket costs for deductibles, co-pays, and coinsurance.

The switch came after union members pressured the clinic and SEGIP to renegotiate. The change applies to health plans that administer the state's Advantage Health Plan: Blue Cross Blue Shield, HealthPartners and Preferred One.

Members in Cost Level 3 move automatically to Level 2. Plan administrators will issue new membership cards.

Budget Brings Brighter Days

For the first time in more than a decade, Minnesota has a sunny budget forecast. New projections show a \$1.2 billion surplus in this budget, and a \$2.6 billion surplus in the next one.

The economic comeback under Gov. Mark Dayton and a forward-thinking Legislature reverses years of deficits, gimmicks, and shifts that balanced the budget on the backs of the working class.

The strong forecast now gives Minnesota the opportunity and resources to invest in our shared priorities: education, seniors, and middle-class jobs.

Locals Ratify Contracts

Anoka-Hennepin School District. Interpreters in Local 2454 ratified a one-year contract through June 30. The agreement includes a 2.5 percent pay raise retroactive to July 1, 2013, plus a \$350 payment.

Duluth Airport Authority. Members of this unit in Local 66 ratified a three-year contract through 2016. The deal includes a 2 percent pay raise retroactive to Jan. 1, then 3 percent raises on Jan. 1, 2015, and on Jan. 1, 2016. The deal also increases pay for working on a holiday, and fights off attempts to erode seniority.

City of Farmington. The Maintenance and the Professional, Technical and Clerical units in Local 3815 ratified two-year contracts for 2014 and 2015. The contracts replace the city's "performance pay" plan with steps. For 2014, employees are slotted in a step, then move up one step on their anniversary date. In 2015, workers receive a 1.75 percent pay raise in January, then a step increase on their anniversary. Also in 2015, maintenance workers receive \$50 more for their uniform allowance.

Proctor School District. Members of this unit in Local 66 ratified a two-year contract through June 30, 2015. The agreement includes pay raises of 15 cents an hour retroactive to July 1, 2013, and another 15 cents on July 1, 2014. The deal also increases longevity pay, increases shift differential, and holds the line on insurance and accruals for vacation and sick leave.
