

AFSCME Local 66 Basic and Merit,

Your **Negotiations Team** met with the employer last **Wednesday** and **Thursday**, and we will need your support for the work ahead. We presented what we believe is a fair and equitable wage proposal.

The employer's response?

A total increase of just **3.75% over three years**. They are also proposing significant changes to **overtime and paid leave**, and they **declined the vast majority of our proposals**.

We deserve a fair deal. This isn't it.
