

AFSCME Local Presidents,

We're excited to share that all Local websites have been upgraded from **Union Hall 1.0 to 2.0!**  
**Please share this information with your website administrators.**

A couple of important changes to note:

- **Login credentials:** You will now log in using the **home email address** registered to your administrator account (instead of a username).
- **Passwords:** Your password remains the same as before.

To access your Local's website:

1. Go to the **Council 5 webpage**.
2. Click on **Resources > Council 5 Local Unions**.
3. Select your Local's site from the list.

**Editing tools** can be found in the **upper and lower right corners** of the editing page.

We will be scheduling trainings in the near future. If you need help right away, please email **2–3 dates and times** you're available, and we'll schedule a Zoom training with you.

If you have any issues logging in or accessing your website, please email us at **communications@afscmemn.org** for assistance. If you would like a website for your Local, please send your request to **communications@afscmemn.org**.

Thank you for your patience during this transition, and we're excited for you to explore the new Union Hall 2.0 features!

In solidarity,

**Council 5 Communications**
