

Dear Local 151,

AFSCME has been notified that Ramsey County plans to close Detox on December 31, 2025. Following this notice, AFSCME and Ramsey County met and reached an agreement on a Memorandum of Agreement (MOA) that would take effect if the County moves forward with the closure.

[While we continue to fight to keep Detox open](#), we also want to make sure our members are protected. This MOA provides an enhanced separation package for impacted employees.

Your bargaining team strongly recommends a **YES** vote on the MOA.
