

Dear Local 151,

This is a reminder that voting is now open on the Detox MOA. [While we continue to fight to keep Detox open](#), we also want to make sure our members are protected. This MOA provides an enhanced separation package for impacted employees.

Voting runs through Friday, October 10 at 4:00 PM via [MemberLink](#).

Your bargaining team recommends a **YES** vote.

The full MOA is available on [MemberLink](#). If you need help logging in, please call our **Member Action Center (MAC)** at **651-450-4990** (Monday-Friday, 8:00 AM-4:00 PM).

Make your voice heard! Don't wait until the deadline to VOTE!

In solidarity,

Peggy Bloomstrand, President
