

Dear AFSCME Local 56,

Minneapolis Public Schools clerical staff are facing critical cuts that are disrupting school operations, delaying calls and inter-office mail, and straining staff who are working harder than ever to keep schools running smoothly.

We are asking the district to **restore these essential positions** and ensure students, parents, and staff get the support they need.

Take action now: Sign our petition and stand with MPS clerical staff. Every signature counts!

👉 [Sign Petition Here!](#)

Don't stop there. Please **share the petition** with friends, family, co-workers, and community members. Join us in raising our voices to restore these critical and essential jobs that protect students and support our staff!

Thank you for standing with us and supporting a properly functioning school system!

In solidarity,

AFSCME Local 56

Minneapolis Public Schools Clerical, Student Support Specialists, and Child Development Technicians
