

The 2026 AFSCME Day on the Hill is coming up on Tuesday, March 10<sup>st</sup>. Shared transportation options from greater Minnesota are being explored. If your local is interested in utilizing shared transportation, please reach out to the designated point of contact in your area ASAP.

This is not a guarantee of shared transportation as adequate utilization is needed to ensure shared transportation is the most cost-effective AND, depending on interest level, capacity limits may be imposed.

These folks are coordinating transportation; **they need to know as soon as possible what the interest level is so they can reserve appropriate options.**
