

AFSCME State Units 2-7,

Right now, AFSCME and MAPE members are preparing for important contract conversations that will impact all of us at work.

These decisions shape wages, benefits, and working conditions across the board. That's why it's so important that everyone is part of the conversation.

That's why your participation matters.

When workers show up and stay engaged, it sends a clear message to management that we're paying attention and that we expect respect. And when we stand together as union members, that message is even stronger.

Numbers matter. Unity matters. Membership matters.

Join us for the AFSCME / MAPE Town Hall:

Noon or 5:00 PM

Join via [Zoom](#)

You can attend whichever session works best. Both will cover the same information.

Joining the Town Hall is a great way to hear what's ahead, ask questions, and understand how these conversations affect you.

But the strongest way to stand with your coworkers is by becoming a union member.

Stand with us by signing a membership card.

When more of us are members, we have more power at the table, more protection on the job, and a stronger voice in the decisions that impact our work.

Take action today:

- [Join the Town Hall](#) and be part of the conversation
- Stand with your coworkers and [sign a membership card](#)

The more of us who step forward together, the stronger we are and the stronger our contract will be.

We hope you'll join us.

In solidarity,

Crystal Kreklow
