

AFSCME State Units 2-7 Members,

Last negotiations cycle, MAPE and AFSCME worked together more closely than ever before and it made a real difference.

Now we're building on that momentum.

Our **Negotiation Teams** have been talking about how to keep that partnership strong and take it even further. They've got some big ideas about what collaboration can look like moving forward and what it means for all of us.

Join us for an upcoming AFSCME and MAPE Town Hall to hear what's in the works and how you can stay involved.
