

Merit - North *Declared Elected*

(all Merit members can vote for both North and South Candidates)

Name: **Mindy Kuhl**

Nominated for: Merit North

Where do you work and what do you do?

Virginia GSC in the Children's Mental Health Unit

How long have you worked for the County? 12 years

What experience do you have with being involved in our Union?

I have been on the E-board going on 3 years. I also have been doing the New Member Orientation presentations in the Hibbing office for 1 year. I have attended AFSCME Day on the Hill several times, along with attending the AFSCME International Conference in 2025.

Why do you feel you would be a good team member on the Basic Merit Organizing Committee?

I feel like I have been unofficially doing BMOC activities, such as organizing lunch and learn sessions, hanging flyers about union events, going around to try and recruit new members, and discuss union events and concerns amongst fellow members. It would be nice to shift my focus on doing more in those areas, so I can expand on the work that I have already started. I feel passionate on improving membership retention, expansion, communication, and participation.
