

Hello AFSCME Corrections Officers and Staff,

During **National Correctional Officers and Employees Week**, we pause to recognize the service and sacrifice of the workers who dedicate their lives to keeping our communities safe.

Every day, you show up in demanding conditions with professionalism, strength, and commitment. The work you do matters, and it does not go unnoticed.

Thank you for all that you do.

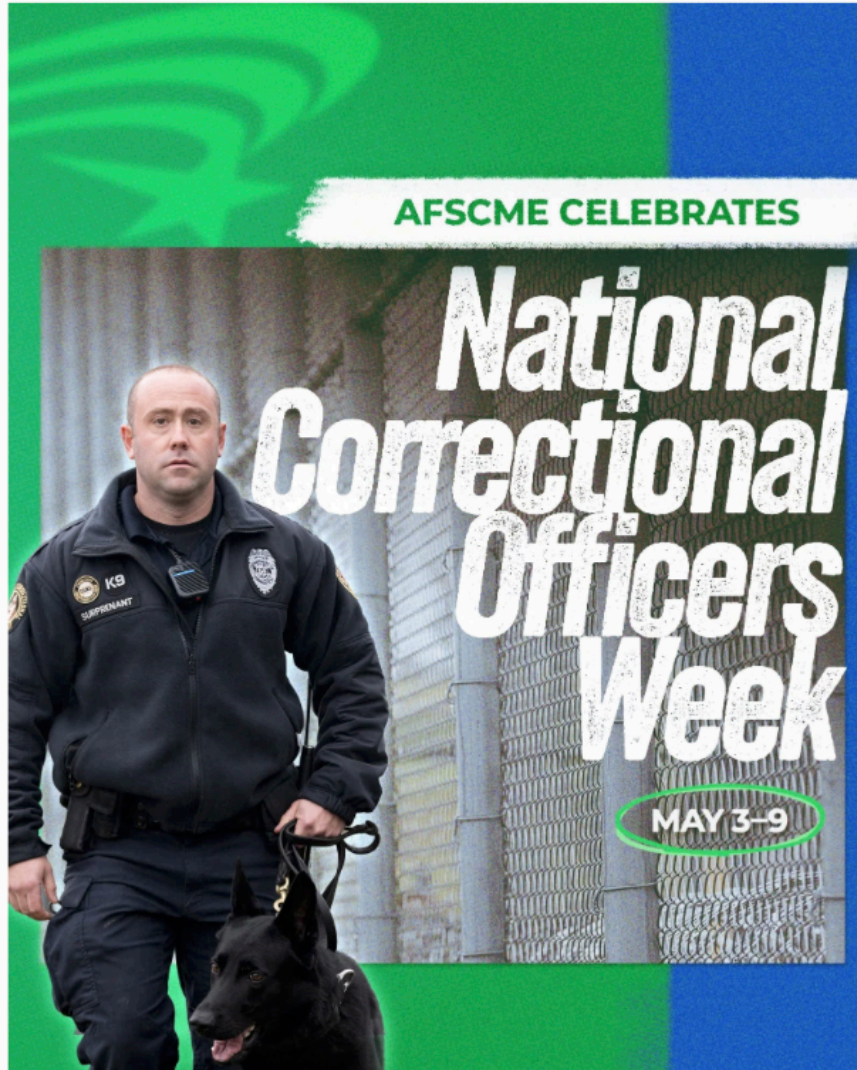

We also want you to know this: **our work as a union continues**. We are committed to fighting alongside you for **fair pay, safer working conditions, adequate staffing levels, respect you deserve on the job, and standing strong to keep all facilities open and fully-funded**.

When we stand together, we build the power it takes to make real change.

In solidarity,

Bart Andersen

Executive Director
