

Minnesota State Retirement System (MSRS) Retirement Planning Webinars

MSRS offers educational opportunities to help you better understand your retirement plan accounts. These FREE webinars are intended to help you make informed savings decisions as you prepare for retirement. **All are welcome to attend.**

Note: Currently, MSRS has no in-person seminars. Upcoming webinars are offered via Zoom.

Pre-Retirement Webinar	Mid-Career Webinar
------------------------	--------------------

This half-day retirement planning webinar provides those within five years of retirement with valuable information about retirement planning strategies, retirement income needs and plan payout options.

Learn about the benefits and features of your retirement plans:

- Minnesota Deferred Compensation Plan (MNDCP) account
- Health Care Savings Plan (HCSP) account
- State employees' pension
- Social Security benefits
- Retiree insurance benefits (SEGIP)

This 1.5 hour webinar will help you examine your retirement income sources, how your retirement plans work together and how much you may need to save for your desired retirement lifestyle. Learn about available tools to help you achieve your retirement goals.

The webinar dives deeper into basic investing topics, market risk and volatility, plan investments and strategies, and your income replacement needs in retirement.
