

PROTECT DAKOTA COUNTY SERVICES

SUPPORT THE 25% LEVY

Dakota County Commissioner,

Please support a budget that protects public services and supports the workers who deliver them. **Dakota County needs a minimum 25% levy to maintain the essential services our community depends on.**

Tell your Commissioner why YOU support county services:

- ✓ Support seniors and people with disabilities.
- ✓ Protect services for children and families.
- ✓ Strong services strengthen our community.
- ✓ Protect services for veterans.
- ✓ Invest in public safety and public health.
- ✓ Retain our experienced workforce.

Dakota County families depend on quality public services every day.

State and federal governments continue to require counties to do more without providing enough funding. Supporting the 25% levy helps protect the essential services our communities rely on.

Dakota County Commissioner, District ____
