

For decades, our public services have been understaffed. AFSCME members are organizing together to address this crisis—and we need you to show up and make your voice heard.

Join us at the next City Council Budget Meeting:

Monday, September 14

6:00–7:30 PM

Hancock Recreation Center

[1610 Hubbard Ave, St. Paul](#)

Wear your **AFSCME green** if you can, and stand with your fellow union members as we urge City Council to invest in public service workers and **STAFF THE FRONT LINES**.

When positions go unfilled and services are stretched thin, workers and the communities we serve feel the impact. **It's time to make staffing public services a priority.**

Our communities are counting on us. Let's show up, stand together, and make sure City Council hears from frontline workers.

Can't make September 14? Additional City Council budget meetings are scheduled for **October 6 and October 8**.

In solidarity,
