

Good afternoon AFSCME Dakota County!

We had a **great turnout at our last rally**, and the response was wonderful, and we're ready to do it again! 🙌

Please join your fellow union members on **Thursday, September 10**, as we come together to show the Dakota County Commissioners that **we are standing together, supporting one another, and stronger when we stand united**. Our union is fighting for a levy increase that maintains staffing levels because protecting county jobs also protects the services residents rely on every day.

JOIN US FOR ANOTHER INFORMATIONAL RALLY!

Thursday, September 10, 2026

Western Service Center

14955 Galaxie Ave.

Apple Valley, MN 55124

Please wear or bring a **green shirt**, if possible.

Rally Walk | 4:30–5:00 PM

Join us as we walk together in front of the Western Service Center and make our solidarity visible before the Budget & Property Tax Open House.

Budget & Property Tax Open House | 5:00–6:30 PM

We encourage members to stay for the open house. This is another opportunity to make sure County leaders see and hear from the workers and community members affected by their decisions.

You can:

- Attend and listen.
- Speak during the public comment opportunity, if available.
- Show your support simply by being present.

Bring your support team! Family, friends, neighbors, and other supporters are welcome. The more people who stand with us, the stronger our message will be.

Important Reminder

This is a **voluntary, unpaid event**. Please participate **on your non-work time**. If you flex your schedule, be sure to reflect the change on your calendar.

Together, we can show Dakota County leaders that investing in county workers is an investment in the services our communities rely on every day.

We hope you'll stand with us on September 10. 💚

In solidarity,

Executive Board Members

AFSCME Locals 306, 450, and 693

Dakota County

Behind every public service is a dedicated county worker making it happen.
