

AFSCME Local 3318 CAPRW Staff,

It has been brought to my attention that some staff may have been told that AFSCME approved the new proposed break schedule. **I want to be clear: AFSCME did not approve this proposed schedule.**

I understand that many of you are upset and have questions about what this change could mean for your workday. Your concerns are heard, and Local 3318 leadership is actively working to address this issue and get it resolved before school starts on Tuesday.

We will share additional information with you as soon as we have an update.

Thank you for your patience and for standing together.

In solidarity,

Lori Schmit

President, AFSCME Local 3318
