Should the law or applicable rules and regulations change, the parties agree to remain compliant with such changes.

ARTICLE 3 UNION SECURITY

- 3.1 The Employer agrees to deduct the Union dues from the pay of the list of employees within that bargaining unit that is provided to the Employer by the Union. The amounts to be deducted shall be certified to the Employer by a representative of the Union, and the aggregate deductions of all employees shall be remitted together with an itemized statement to the representative by the first of the succeeding month, after such deductions are made.
- 3.2 The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article.
- 3.3 The Employer shall furnish the Union each month a list of new employees hired in positions in the Bargaining Unit and the Employer shall further provide the Union with the statutorily required reports.

- 4.1 Neither the Union, its officers or agents, nor any of the employees covered by this Agreement will engage in, encourage, sanction or support any strike, or the withholding in whole or in part of the full performance of their duties during the life of this Agreement, except as specifically allowed by the Public Employment Labor Relations Act. In the event of a violation of this Article, the County will warn employees of the consequences of their action and shall instruct them to immediately return to their normal duties. Any employee who fails to return to their full duties within twenty-four (24) hours of such warning may be subject to the penalties provided in the Public Employment Labor Relations Act.

ARTICLE 6 HOURS OF WORK

- 6.1 This Article is intended only to define the normal hours of work to provide the basis for the calculation of overtime pay. Nothing herein shall be construed as a guarantee of hours of work per day or per week.
- 6.2 Except as modified by this Agreement, work shifts, staffing schedules and the assignment of employees thereto shall be established by the Employer.
- 6.3 The normal work schedule for employees working the five (5) day week shall be five (5) eight (8) hour days Monday through Friday and two (2) days off duty. Employees who are regularly scheduled to work between sixty (60) and eighty (80) hours per pay period shall receive contributions towards health and dental premiums at the same rate as full-time employees.
- 7.3 An intermittent employee is defined as a person with permanent or probationary status not working a regular work schedule (e.g. on call). As established by the County Board (Resolution 2014-262) there is an Initial Measurement period of 12 months (new hires), and Standard Measurement Period of 12 months (current employees) for Intermittent employees to determine if they meet the ACA full-time standard of at least 30 hours per week; an Administrative Period of not more than 60 days to assess hours worked during the measurement period and enroll those who qualify as full-time and choose to elect coverage; and a Stability Period with 12 months medical insurance for those who elect coverage, provided they remain employed with the County. ARTICLE 9 SICK LEAVE

- 9.1 Each full-time provisional, probationary and permanent employee shall earn sick leave at the rate of 4.6154 hours for each pay period. Sick leave accrual will be based on actual hours on paid status in a pay period and will be prorated for full-time provisional, probationary, and permanent employees who work less than 80 hours in a pay period. There will be no loss in accrual for unpaid union leave up to forty (40) hours per pay period for no more than two (2) consecutive pay periods.
- 9.2 Permanent, regularly scheduled employees may accumulate the unused portion of sick leave without any maximum restrictions.
- 9.3 The Employer and the Union agree that Sick Leave shall comply with or exceed the Minnesota Earned Safe and Sick Time Law (Minn. Stat. 181.9448), and may be authorized for the following reasons with the limitations as specified:
- (1) For illness or injury, dental or medical care for the employee or their family members as defined in Minnesota Earned Safe and Sick Time Law (Minn. Stat. 181.9445). Sick leave usage shall be subject to approval and verification by the department head, who may require the employee to furnish reasonable documentation after three consecutive absences from a scheduled workday.
 - (2) An employee may use sick leave for the closure of the employee's place of business due to weather or other public emergency or an employee's need to care for a family member whose school or place of care has been closed due to weather or other public emergency except as provide in Minnesota Statute 181.9447, Subd. 12.
 - (3) An employee may use sick leave for safety leave for assistance to themselves or their relatives as described in paragraph (2). For the purpose of this paragraph, "safety leave" is leave for the purpose of providing or receiving assistance because of sexual assault, domestic abuse or stalking, pursuant to Minn. Stat. 181.9447.
 - (4) Sick leave not to exceed one hundred-sixty (160) hours may be utilized by employees for the birth or adoption of the employee's child or a child regularly residing in the employee's immediate household. The leave must be consecutive and taken within twelve (12) months of the birth or adoption.
 - (5) Pregnant employees shall be eligible for the use of paid and unpaid sick leave in the same manner as any other disabled or ill employee. Such sick leave eligibility shall begin upon certification through reasonable documentation that due to pregnancy, the employee is disabled in terms of their ability to perform the duties of their position. Such employee shall then be eligible to receive sick leave benefits in the same manner as is provided for any other ill or disabled employee during the remaining period of pregnancy and until such time as the employee is certified able to return to work by a healthcare professional.

ARTICLE 9 SICK LEAVE (Continued)

- (6) In the event a pregnant employee elects to resign their employment because of pregnancy, such employee will be paid for accumulated sick leave up to but not exceeding one-hundred-twenty (120) hours.
- (7) Sick leave not to exceed eighty (80) hours may be utilized to make arrangements or attend funeral services or memorial or address financial or legal matters that arise after the death of an employee's family member as defined in paragraph (1).

9.4 To be eligible for sick leave payment, the employee will notify the Employer or designee in advance when the sick leave is foreseeable, but if it is not foreseeable, as soon as practicable. An employee cannot be required to seek or find a replacement worker to cover the sick leave hours used by the employee as a condition of the employee's use of sick leave.

9.5 Full-time employees who do not utilize any sick leave hours in a three (3) month period shall have the option of converting four (4) hours of sick leave to vacation or pay at the option of the employee. The three (3) month periods are from January 1-March 31; April 1-June 30; July 1-September 30; October 1-December 31. Part-time employees who do not utilize any sick leave hours in a three (3) month period shall have the option of converting sick leave to vacation or pay at the option of the employee, on a pro-rated basis, based on hours worked for the three (3) month period. The three (3) month periods shall be the same as identified in the preceding paragraph.

9.6 An employee that has satisfied the elimination period for either short term or long-term disability may, at the employee's option, retain a sick leave bank of up to eighty (80) hours when the employee begins an unpaid medical leave, provided the employee has a bank of paid sick leave hours remaining after satisfying the elimination period.

- 1. An employee with a paid sick leave bank of eighty (80) hours or less after satisfying the elimination period for either short- or long-term disability may elect to retain either all or none of their remaining sick leave bank.
- 2. If the employee elects to retain a sick leave bank, the employee may not use any time from that bank until the employee returns from unpaid medical leave.
- 3. If the employee does not return from unpaid medical leave, the time retained in the employee's sick leave bank will be lost to the employee, such that the employee will receive no compensation for the retained sick leave.

In any other circumstances except those described above, employees will continue to be required to use all paid sick leave prior to going on an unpaid medical leave of absence, in accordance with Article 9.6.

9.7 If all positions in the classification in the department have been filled, in order to accommodate a person who returns to work after illness, the employee with the least amount of seniority in the department in the classification shall vacate their position subject to any eligibility for transfer or reduction that they may have

acquired under this Agreement.

- 9.8 Employees on sick leave with or without pay may not engage in other employment without the written approval of the Employer.
- 9.9 An employee must present a statement from a healthcare professional attesting to their fitness to return to work at the request of the Employer.
- 9.10 Should illness occur while an employee is on vacation the period of illness may be charged to sick leave and the charge to vacation reduced accordingly. An employee requesting such a change may be required to submit a written statement from a healthcare professional attesting to the illness and the period of disability.
- 9.11 Permanent and probationary employees who are injured while performing work within the scope of their employment for Ramsey County and by reason thereof are rendered incapable of performing their duties, on or after January 1, 2000, shall upon approval by Human Resources, be granted sick leave for each work day up to a maximum of one hundred and thirty (130) days for which Workers' Compensation payments are made for said injury or illness, said sick leave not to be charged against normal sick leave they have accumulated. This additional sick leave shall be granted in an amount equal to and not exceeding the difference between any Workers' Compensation payments and one hundred percent (100%) of the employees' normal daily wage.
- If their recovery is not complete by the end of the period described in paragraph (1) of Article 9.13, employees shall use their own accumulated sick leave to make up the difference between any Workers' Compensation payment made and one hundred percent (100%) of the employee's normal daily wage.
- In the event an employee absence due to a work-related injury does not qualify for Workers' Compensation solely because of a statutory waiting period, each day of said absence shall be considered as "a day for which Workers' Compensation benefits are paid" under the provisions of this section.
- In no event shall this section be construed or operate to permit an employee to receive a combined wage and Workers' Compensation payment exceeding 100% of the employee's normal daily wage.
- Any such employee unable to resume the duties of their position within or at the end of the recovery period, and on the exhaustion of accumulated normal sick leave, shall be eligible for the sick leave without pay provisions of this contract.
- 9.12 Sick leave may be used in quarter-hour (1/4) increments.

ARTICLE 10 VACATION

- 10.1 Vacations shall be granted at the time requested by the employee. Requests may be submitted up to one year in advance and shall be in writing. If the nature of the work makes it necessary to limit the number of employees on vacation at the same time, the employee with the greater departmental seniority shall be given their choice of vacation period. A written response approving or denying vacation requests will be provided. If the request is denied, the employee will be notified in writing of the reason for the denial.
- 10.2 If a holiday occurs during the calendar week in which a vacation is taken by an employee, the employee's vacation used shall be reduced one work day.
- 10.3 Any employee who is laid off, discharged, retired, or separated from the service of the Employer for any reason, prior to taking their vacation, shall be compensated in cash for the unused vacation they have accumulated at the time of separation.
- 10.4 Employees with an accumulation of sick leave credits in excess of one-hundred-eighty (180) days (1,440 hours) may convert such excess days to vacation at the rate of two (2) days' sick leave to one (1) day vacation but not to exceed forty (40) hours in any calendar year.
- 10.5 Each provisional, probationary and permanent employee shall be granted vacation with pay for each full month of actual service rendered on the following basis. Vacation accrual will be based on actual hours on paid status in a pay period. There will be no loss in accrual for unpaid union leave up to forty (40) hours per pay period for no more than two (2) consecutive pay periods.

<u>Number of years of Employment</u>	<u>Accrual in hrs. per pay period</u>	<u>Yrly. Accrual in hours/days</u>	<u>Maximum Accrual</u>

- 10.7 Effective January 1, 2022, any vacation accrued in excess of the maximum accumulation allowed shall be lost to the employee on the pay period including June 30 of each year.
- 10.8 Vacation may be used in units of one-quarter (1/4) hour.

requests;

- b) advanced vacation may not be placed in the employee's accrued vacation balance;
- c) advanced vacation hours must be immediately repaid from future vacation accruals. If an employee leaves County employment before all hours are repaid, the dollar value of the hours will be deducted from the employee's final check. If there are not sufficient funds, the employee will be required to repay the County the value of those hours.
- d) all advanced vacation must be repaid to the County before any future vacation advancement requests will be considered.
- e) An employee may not have more than 40 vacation hours advanced to them at any time.
- f) Vacation hours advanced do not increase the employee maximum accumulation of vacation. The provisions regarding maximum vacation in Articles 10.6 and 10.7 continue to apply.
- g) An employee may not donate advanced vacation hours to another employee. An employee may not be required to request that vacation hours be advanced to them, before being eligible to receive donated hours.
- h) Denial of a request for vacation advance may be appealed in writing to the Department Director, with a response in writing to be received within ten (10) working days.

10.10 Adjustments to Initial Vacation Accrual – Credit for Previous Service

The appointing officer may, at their discretion, recommend to the Director of Human Resources (or designee), that a new hire be given credit for length of service for all or a portion of any employment experience directly related to the position to which the employee is being appointed or to match the current vacation accrual provided by the employee's most recent employer. The recommendation must be made in writing and be based on the appointing officer's assessment of the employee's qualifications beyond the minimum requirements, recruitment considerations or service accrual provided by the employee's previous employer. The appointing officer must submit documentation of the qualifying service with the recommendation. At their discretion, the Director of Human Resources may authorize length of service credit for all, none, a portion of the related experience, or the practice of the previous employer. This length of service credit, plus the employee's subsequent actual length of service with the County, will be the basis for future vacation accrual determinations. No additional length of service credit for qualifications obtained prior to County employment shall be granted after initial appointment to the County.

ARTICLE 11 SEPARATION PAY

- 11.1 Upon separation, eligible employees may choose either Option A or Option B.
- 11.2 Option A - Upon separation from the service by resignation, layoff, expiration of a leave of absence or death, a permanent employee, their designated beneficiary, or their estate shall be paid one half (1/2) of all unused accumulated sick leave days provided:
- (1) That at the time of separation, the employee has at least four hundred and eighty (480) hours of accumulated sick leave to their credit.
 - (2) That at the time of separation from the County service, the employee must have been employed by the County in the classified service for at least ten (10) years prior to their separation, except that this section shall not apply to an employee whose cause of separation is death, layoff, whose position has been abolished, or who was required to retire from service under provisions of a compulsory retirement law.
 - (3) An employee who is laid off or whose position has been abolished shall have the option of waiting until their eligibility for reinstatement expires before applying for separation pay.
 - (4) That the rate of payment shall be based upon the regular hourly salary of the employee, in their permanent classification, at the time of separation. Separation as used in this rule means the last working day of the employee in the classified service.
 - (5) That in the event an employee has been separated and paid for such accumulated sick leave and subsequently is re-employed, their sick leave shall be calculated as though they were a new employee.
 - (6) Effective January 1, 2025, the maximum allowance shall not exceed \$15,000 for any one employee.
- 11.3 Option B - Upon separation from the service by resignation, layoff, expiration of a leave of absence or death, a permanent employee with at least twenty (20) years (41,600 hours) of service, their designated beneficiary, or their estate shall be paid according to the schedule below, to a maximum of \$7,000 effective January 1, 2008.  3. A serious medical condition rendering the employee unable to perform their job.

The twelve weeks may be taken on an intermittent or reduced basis with appropriate medical evidence. If the reason for the intermittent or reduced work basis is the birth or adoption of a child, the approval of the employee's department is also required.

- 12.16 Up to twelve (12) weeks of unpaid leave shall be granted to an employee to care for a person regularly residing in the employee's immediate household, who is not the employee's spouse, child or parent, and who has a serious medical condition. This leave will be administered as if it were FMLA, except when doing so would result in a violation of the Family & Medical Leave Act. FMLA time taken under Article 12.15 will count against time allowed under Article 12.16.
- 12.17 An employee unable to work because of illness or accident whose paid sick leave is exhausted, shall be granted an unpaid leave of absence for a period not to exceed two (2) years. Employees will return at the same seniority in the salary schedule, will retain promotion rights and will earn vacation schedule seniority for leave under this paragraph.  - Job classification as identified on Addendum A will be consolidated and regarded as part of the countywide classification and compensation modernization.
- **2026:**
 - 3.5% wage increase effective the first full pay period following January 1, 2026.
 - Employees shall progress through the wage schedule per the applicable salary plan in 2026.
 - Effective January 1, 2026, all salary plans containing steps that require four (4) or more years between progression shall reduce the progression by two (2) years not to result in more than two (2) years between steps. No change to steps that require less than two (2) years between progression.
- **2027:**
 - 4.5% wage increase effective the first full pay period following January 1, 2027.
 - Employees shall progress through the wage schedule per the applicable salary plan in 2027.

13.2 When any classification not listed in the wage schedule is established which involves functions substantially similar in their nature, character and scope to those performed in whole or in part by an existing classification which is part of the bargaining unit as listed in Article 2.1 of this Agreement, the Employer shall designate the rate structure for the position. In the event the Union does not agree that the rate is proper, the Union shall have the right to submit the issue as a grievance at Step 4 of the grievance procedure.

13.3 Comparable Worth - If the County is found to be out of compliance with the Minnesota Pay Equity Act, the County agrees to reopen the collective bargaining agreement for the purpose of negotiating pay equity adjustments.

13.4 All full-time employees or part-time employees receiving pro rata benefits, who work as part of their regular schedule on a shift which includes time between 6 p.m. and 6 a.m., shall be entitled to receive a night differential for the entire shift, provided at least four (4) hours of the shift are worked between the hours of 6 p.m. and 6 a.m. The night differential shall be paid as additional compensation equivalent to 7% (seven percent) of the first step in the salary range established for the classification. This differential will not be paid where such work constitutes overtime under the provisions of the Agreement. Employees working on a continual night shift arrangement shall be paid this differential during all paid leaves.

13.5 Saturday-Sunday Differential. Effective the first full pay period following January 1, 2022, all full-time employees, or part-time employees receiving pro rata benefits, required to work on Saturday or Sunday as

ARTICLE 13 WAGES (Continued)

part of their regular schedule shall be compensated at the rate of one dollar (\$1.00) per hour for each hour worked. Compensation under this section will be in addition to the employee's regular salary and will be earned for the entire period worked, provided at least five (5) hours of the period worked fall on the day for which the additional compensation is being paid. These differentials will not be paid where such work constitutes overtime under the provisions of the Agreement.

- 13.6 Call-Back Time. Any employee directed by an authorized person to return to work after their regularly scheduled shift shall be paid for a minimum of four (4) hours. All call-back time will be at the direction of the authorizing person. All call-back time must be authorized by a supervisor regardless of where the work occurs.
- 13.7 Employees required by the employer to be available to answer a page or a call and perform work if necessary, during certain specified hours outside their work shift, are on-call. Effective 1/1/2025, employees required to be on-call shall be compensated at the rate of three dollars (\$3.00) per hour for time spent "on-call."
- 13.8 Weather Days or Temporary Unplanned Closures. Under extreme weather conditions or an unplanned emergency event, if the County Manager or designee closes a facility or department and employees are told not to report for work, such days shall be with pay. These additional days with pay shall be granted to employees scheduled to work and those that would have normally reported for work. Payment for such days shall be limited to two days per calendar year.
- 13.9 Employees assigned temporarily to a position in a higher classification for a period exceeding five (5) consecutive work days shall be paid for the entire period at the rate appropriate to the assignment. Employees who are assigned to a position in a higher class on a recurring schedule, e.g., two (2) days per week, shall earn this higher rate after a minimum of five (5) days worked at the higher class. The rate of pay will be set in the same manner followed for regular promotions.
- 13.10 Promotion in the career development classes, after having met the minimum qualifications of the higher class, will be based on satisfactory performance as determined by the department.
- 13.11 Changes in salary shall be effective on the date of eligibility.
- 13.12 Mileage and Parking - Employees will be reimbursed for work related mileage and parking as follows:
- (1) Mileage Rates - The mileage rate shall be the maximum allowed by the Internal Revenue Service. If the IRS rate should change during the term of the contract, the contract rate shall change also on the date specified by the IRS.
 - (2) Commuting- Depending on their primary worksite designation, employees will either be provided with free parking by the employer or be provided a monthly parking allowance. Parking allowance eligibility is determined in accordance with the Ramsey County Commuting Policy, Administrative Policy Manual, Chapter 2, Section 5, Policy 6. Parking allowance amounts are based on the

employee's flexible workplace designation as determined by the employer and described in the Ramsey County Flexible Workplace

Other Parking - All necessary out-of-pocket parking expenses incurred while conducting County business away from the regular work site will be reimbursed in full with a receipt or other appropriate documentation up to a maximum of ninety-five dollars (\$95.00) per month.

- 13.13 Effective the first full pay period following 1/1/2022 the Employer will provide a matching contribution directly to the employee's deferred compensation plan provider of a maximum of \$35 per month or \$420.00 annual maximum, per contributing employee, provided the employee makes a minimum contribution of \$10.00 per month. This contribution will be prorated based on regular hours worked. In the event an employee contributes to more than one deferred compensation plan provider offered by the county, the employer contribution shall only be made to a single plan and will default to the plan that the employee contributes a greater amount to. In the event the employee contributes equally to the plan providers, the employer contribution will default to the MSRS administered plan.

ARTICLE 14 OVERTIME

- 14.1 Exempt employees shall not qualify to earn overtime payment except in unusual circumstances. Under such circumstances, the County Manager may approve overtime at a straight-time rate for employees who have been assigned to work hours in excess of their regular schedule. With prior approval from the County Manager exempt employees may also be allowed to earn overtime at the rate of time and one-half (1 and 1/2). Circumstances under which overtime may be earned at the time and one-half (1 and 1/2) rate include, but are not limited to:
- (a) circumstances in which the proposed overtime compensation is necessary based on established community practice.
 - (b) circumstances which constitute a state of emergency as determined by the County Manager. The County Manager's approval shall be contingent upon receipt of appropriate evidence from the department head, documenting the circumstances which warrant overtime payment at the time and one-half (1 and 1/2) rate.
- 14.2 Full-time and part-time exempt employees will accrue compensatory time at the rate of one hour for every hour worked as below:
- (a) Full-time exempt employees - every hour worked in excess of eighty (80) hours in a pay period.
 - (b) Part-time exempt employees - every hour worked beyond their normal scheduled hours.
- 14.3 Exempt employees may not accumulate and carry on the books more than forty (40) hours of unused compensatory time. Once an employee has accumulated forty (40) hours of unused compensatory time on the books that employee may be required to take sufficient time off to reduce below 40 hours in the next six (6) months.
- 14.4 All employees may flex their work schedule to accommodate periods of unusual work loads. When external forces require individuals to work in excess of eighty hours in a pay period, or beyond the normal work schedule the practice of flexing work schedules is intended to provide a way to offset excess time worked with an equivalent amount of time off.
- 14.5 The purpose for flexing work schedules is to recognize that non-work time lost due to demands should be regained in future pay periods. It is not intended and should not be seen as a way to create additional vacation time by putting in more hours.
- 14.6 Overtime will be calculated to the nearest fifteen (15) minutes.

ARTICLE 15 DISCIPLINE

- 15.1 Prior to disciplining an employee, the employer should make effort to work with the employee in an attempt to actualize appropriate behavior and/or optimal performance by utilizing training, familiarizing of countywide and department policies, or performance improvement plans.
- 15.2 Discipline shall be only for Just Cause, provided in writing including the reason(s) therefore, effective date, generally in the following order, and in the form of:
- Written reprimand
 - Suspension
 - Reduction or demotion
 - Discharge
- 15.3 The Employer shall not administer discipline unless the employee has had an opportunity to have a representative of the Union present.
- 15.4 Investigation. Employees may be afforded union representation when the employee is the subject of an investigation; that right shall be offered to employees upon notice of the investigation. It, in the course of an investigation, it is reasonably believed that disciplinary action may be taken against an employee, the employee will be given an opportunity to have a union representative present before the Employer proceeds to further question the employee regarding the matter. It is the employee's responsibility to secure union representation.
- 15.5 Written Reprimand. Written reprimands will become part of an employee's personnel file. The employee will receive a copy of such reprimand.
- 15.6 Limited Retention. Upon agreement between the union and management, a written reprimand will be removed from an employee's personnel file provided that (1) no further disciplinary action has been taken against the employee for same or similar infractions six (6) months to one (1) year as agreed to from the date of written reprimand and (2) the employee submits a request for removal. Such request to remove a document from a personnel file under this section shall not be placed in the file. Materials removed pursuant to this section shall be provided to the employee. Removal of written reprimands shall be subject to the county's retention records and any applicable federal and state laws.
- 15.7 Loudermill. In the event of a reduction, demotion, suspension, or discharge, the employee shall be offered a Loudermill meeting for an opportunity to hear an explanation of the evidence against them, to present their side of the story, and shall be informed of the right to have a representative, which may be a union representative, at such meeting. The employee shall remain in pay status and disciplinary action shall not become effective during that period when the meeting may occur. However, if the employee was not in pay status at the time of the notice of discharge for other reasons, the requirement to be in pay status shall not apply.

ARTICLE 15 DISCIPLINE (Continued)

15.8 Disciplinary Grievance Procedure. An employee receiving discipline may submit the disciplinary action to the grievance procedure beginning at Step 2 pursuant to Article 16 Grievance Procedure, or appeal the disciplinary action through the non-bargaining grievance procedures provided under the Ramsey County Personnel Act and Personnel Rules. An employee may not use more than one of these procedures in appealing a disciplinary action.

ARTICLE 16 GRIEVANCE PROCEDURE

- 16.1 Definition of Grievance - A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement. An employee has the right to proceed under non-contractual remedies in the County Personnel Act and Rules and Veterans Preference Act. An employee may not employ both the grievance procedures under this Article and non-contractual remedies for the same grievance.
- 16.2 Organization Representatives - The County will recognize representatives designated by the Union as the representative or steward of the bargaining unit having the duties and responsibilities established by this Article. A list of union representatives or stewards will be provided to Labor Relations in Human Resources at least annually or in the event there are changes in representatives.
- 16.3 Processing of Grievance - It is recognized and accepted by the Union and the County that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee's union representative or steward, if an employee, shall be allowed a reasonable amount of time without loss in pay, to investigate a grievance, and present grievances to the County during normal working hours provided the employee and the employee union steward have notified the designated supervisor.
- 16.4 Grievance Procedure - Grievances shall be processed in the following manner:
- Step 1. The Union steward, with or without the employee, shall take up the grievance or dispute with the employee's immediate supervisor within ten (10) work days of the employee's knowledge of its occurrence. The supervisor shall then attempt to adjust the matter and shall respond to the steward within five (5) work days.
- Step 2. If the grievance is not settled in Step 1, it shall be referred in writing by the union representative or steward to the department head or designee within ten (10) working days after the designated supervisor's answer in Step 1. The department head or designee shall discuss the grievance within ten (10) work days with the employee and the Union representative or steward at a time mutually agreeable to the parties. If the grievance is settled as a result of such a meeting, the settlement shall be reduced to writing and signed by the department head or designee and the Union. If no settlement is reached, the department head or designee shall give a written answer to the Union within ten (10) work days following their meeting.
- Step 3. If the grievance is not settled in Step 2 and the Union desires to appeal, it shall be referred by the Union in writing to the Director of Human Resources or designee within ten (10) work days after the department head or designee's answer in Step 2. A meeting between the Director of Human Resources or designee, the department head or designee, the employee, and the Union shall be held ten (10) work days following the Union request for a Step 3 meeting, at a time mutually agreeable to the parties. At this meeting

ARTICLE 16 GRIEVANCE PROCEDURE (Continued)

all pertinent facts shall be presented by the Union and the Employer. If the grievance is settled as a result of such a meeting, the settlement shall be reduced to writing and signed by the Director of Human Resources or designee and the Union. If no settlement is reached the Director of Human Resources or designee shall give the Employer's written answer to the Union within ten (10) work days following the meeting.

Step 4. Arbitration - If the grievance is not settled in Step 3, and the Union wishes to refer the grievance to arbitration, the Union shall inform the Employer of its intent to arbitrate within ten (10) working days after the Union's receipt of the Employer's written answer in Step 3. The Union and the Employer will then select an arbitrator either under the alternate striking provisions of Minnesota Statutes 179A.21, Subdivision 2, or by another method mutually agreeable to the Union and the Employer.

- (a) The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of the contract. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the County and the employee and the Union, and shall have no authority to make a decision on any other issue not so submitted.
- (b) The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.
- (c) The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the County and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings the cost shall be shared equally.

16.5 Waiver - If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits or any agreed to extension, the grievance should be considered settled on the basis of the Union's requested relief. The time limit in each step may be extended by mutual written agreement of the County and the employee Union in each step. The term "days" as used in this Article shall mean the days Monday through Friday inclusive, exclusive of holidays.

16.6 Grievance Representative - Employees presenting a grievance under Step 2 shall be represented by a representative of the Union.

16.7 Records - All documents, communications and records dealing with a grievance shall be filed separately from the personnel files of the involved employee(s).

ARTICLE 17 SENIORITY

- 17.1 Seniority means an employee's length of continuous service by classification and from their date of hire to the Ramsey County Workforce Solutions Department.
- 17.2 Department seniority means an employee's length of continuous service from their date of hire with the Ramsey County Workforce Solutions Department.
- 17.3 Classification Seniority. Classification seniority is defined as the length of continuous service in a specific job classification within any AFSCME bargaining unit to which the classification is common. Employment Guidance Counselor 1, 2 and 3 will be considered to be one classification for purposes of this Article. When an employee returns to a previously held classification or exercises bumping rights under Article 18.2, classification seniority in the class to which the employee has bumped shall include seniority in all non-supervisory equal or higher classifications in which the employee has served.
- 17.4 In the event there is a tie in classification seniority it shall be broken in the following manner:
- (1) Continuous time within the County.
 - (2) Random selection agreed to by the Union.
- 17.5 On March 1st the Employer shall establish a bargaining unit seniority list showing the continuous service of each employee by classification. There shall be a separate list for intermittent employees. If there is a grievance relating to seniority or a layoff, additional seniority lists shall be produced. A copy of the seniority lists shall be furnished to the Union when it is posted.
- 17.6 Breaks in Continuous Service. An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, and retirement.
- 17.7 An employee promoted or transferred to a new, equal, or higher classification shall have the option of returning to their former classification if such employee fails probation whether their promotion is within the bargaining unit or to another position of employment provided by the Employer. In addition, during the probationary period, an employee may return to their former classification upon request with the approval of the departments affected.
- 17.8 Employees in classifications combined as a result of restructuring shall retain their seniority from their previous classifications. In the event such an employee is laid off, the bumping language in 18.3 shall apply EXCEPT that a worker reclassified from a lower classification as part of restructuring (i.e. one reclassified from a class with a lower rate of compensation at the first step) shall not be eligible to bump a worker formerly occupying a higher classification, except when both former classifications were part of the same career development ladder/combined seniority list.

The employer shall create a seniority list of all classifications in the bargaining unit as it stood on December 31, 2024, which shall be reviewed for accuracy by the Union within 14 days of receipt, and then maintained as an appendix to this agreement for future reference.

ARTICLE 18 WORK FORCE

18.1 Any vacancy or newly created position will be posted in a conspicuous place in the buildings where the employees within the bargaining unit work. Such notice shall be posted for at least five (5) work days prior to the filling of such vacancy or newly created position.

Employees excluding intermittent employees, may bid on such vacancy or newly created position by submitting written application prior to the expiration date of the posting.

In the selection of employees for such vacancy or newly created position consideration shall be given to classification seniority and the employee's ability and capacity to perform the job. Positions with incumbents which are reclassified shall not be considered vacant or newly created for the purpose of transfer if the incumbent is within one (1) year of meeting the minimum qualifications on the date of reclassification.

18.2 a) In the event it becomes necessary to lay off employees for any reason, employees shall be laid off in the inverse order of their seniority within the classification, provided all temporary, provisional and intermittent employees, in that classification, in that order, are released first. In the event of a tie, the employer will follow the tie breaker language as written in Article 17.4. Employees shall be permitted to exercise their seniority rights to any classification previously held before being subject to layoff. No permanent position shall be eliminated until all intermittent, temporary and provisional employees in the same classification are released. All career development ladders shall be treated as one classification for the purpose of the application of this Article. If a permanent employee in an AFSCME bargaining unit is laid off, the employee would have the right to a vacant position within the same classification within other AFSCME bargaining units subject to completion of probationary period. No employee's regular hours of work will be reduced as the result of using "free labor". "Free labor" is defined as volunteers, community service people, restitution workers, etc. Employees shall be recalled from layoff according to their seniority. No new employees shall be hired in the classification until all employees on layoff status desiring to return to work have been recalled.

b) Employees no longer working for the county will remain eligible for reinstatement from layoff status for a minimum of two years from the date of their layoff. After this initial two-year period, eligibility for reinstatement from layoff shall be extended each year that the employee notifies Human Resources of their continuing interest in reinstatement up to a maximum of ten years. Such notification of continuing interest shall be in writing to the Director of Human Resources and shall be made within 60 days following the anniversary date of the employee's layoff and include a current address and phone number of the employee on layoff. If no notice is received the employee's name will be removed from the recall list and the employee will no longer be eligible for reinstatement. After ten years the laid-off employee's eligibility for reinstatement shall expire.

It is the responsibility of the employee on lay-off to keep a current address and phone number on file in Human Resources any time such contact information changes. Inability to contact the employee caused by

ARTICLE 18 WORK FORCE (Continued)

the employee's failure to update their address or phone number will result in the employee losing their eligibility for reinstatement.

- 18.3 An employee appointed to a position in another Ramsey County AFSCME bargaining unit or other non-supervisory Ramsey County bargaining unit shall maintain their AFSCME bargaining unit seniority in all job classifications in which the employee has been employed. The employee may return to the bargaining unit and may exercise their AFSCME bargaining unit seniority in any previously held class if subsequently laid off from a position in another Ramsey County AFSCME bargaining unit or other non-supervisory Ramsey County bargaining unit.
- 18.4 If an employee is notified in writing by the employer that they will be laid off, is on layoff or is in a lower class because they exercised their bumping rights under this Article, that employee shall be placed at the employee's request, on a re-employment register for any class for which the employee meets the minimum qualifications. When a requisition is received by the Human Resources Department for a class where the re-employment register contains the names of employees identified by this Article, those employees shall be included with the certification from the eligible register. If a requisition is received by the Human Resources Department for a job class for which there is no current register, employees on a re-employment register for the class under the terms of this Article, will be referred to the appointing officer for consideration. Employees covered by this section will also be eligible for placement through the County's Job Mobility Program for any job class for which the employee meets the minimum qualifications. Eligibility for this benefit shall expire after an employee has been on layoff for two years or when the employee passes probation for a position obtained under this Article.
- 18.5 If the County, or a County department, determines that employees in a specific job classification within a bargaining unit will be laid off, the employer may allow employees in that classification and bargaining unit to volunteer to be laid off, such that less senior employees would be retained. Employees responding to the employer's request for volunteers will be considered in order of their classification seniority within their department. Employees who accept a voluntary layoff will be recalled in order of their classification seniority among those on layoff status. Employees on voluntary layoff may waive reinstatement unless they are the least senior employee in the classification on layoff status.
- 18.6 New employees of the department shall be subject to all provisions of this contract limited only by the following:
- (1) New employees shall be subject to the following probationary period: Full-time employees shall have a six (6) month probationary period. Part-time and intermittent employees shall have a probationary period of 1,040 hours or one (1) year, whichever comes first.
 - (2) New employees may be assigned duties on such basis as deemed necessary for them to be properly trained for the work they are hired to perform.

18.7 Employees appointed outside the bargaining unit shall maintain their seniority in the unit through the end of their probationary period.

Ramsey County shall defend, save harmless and indemnify each of its officers and employees, whether elective or appointive, against a tort claim or demand, whether groundless or otherwise, arising out of each alleged act or omission occurring in the performance of duty, except malfeasance in office or willful or wanton neglect of duty.

ARTICLE 20 GENERAL PROVISIONS

- 20.1 Neither the Union nor the Employer shall discriminate against any employee because of Union membership or non-membership, age, color, creed, handicap, national origin, parental or marital status, political belief, race religious belief, sexual or affectional preference, gender, receiving public assistance or social services, or because of a previous emotional or mental disturbance. Sexual harassment shall be considered discrimination under this Article.
- 20.2 Union Bulletin Boards. The Employer agrees to furnish and maintain suitable bulletin boards in convenient places. The Union shall limit its posting to official notices and bulletins of the Union to such bulletin boards.
- 20.3 The Employer agrees to recognize, upon certification from the Union two (2) stewards.
- (1) Stewards and other employee Union officers shall not leave their work stations without the prior permission of their designated supervisor(s) and they shall notify their designated supervisor(s) upon return to their work stations. Permission to leave a work station for Union business will be limited to the investigation and presentation of grievances.
 - (2) Non-employee representatives of the Union shall be permitted to come on the premises of the Employer for the purpose of investigating and discussing grievances if they first notify the Employer's designee and provided the Union representative does not interfere with the work of employees.
- 20.4 Work Rules. The Employer shall have the right to establish reasonable work rules which shall be equitably and uniformly applied. Any work rules shall be provided in writing to impacted employees ten (10) consecutive work days prior to the effective date. Copies shall, at the same time, also be furnished to Union stewards, and when effective, to all employees covered by the rules. New employees shall be furnished a copy of all work rules when hired. Any complaint as to the reasonableness of any new or existing rule, or any complaint involving discrimination in the application of new or existing rules, shall be resolved through discussion by the parties.
- 20.5 All in-service training shall be at the expense of the Employer.
- 20.6 (1) During the term of this Agreement, the Employer shall not enter into any contract or subcontract any public work performed by the employees covered by this Agreement which would result in a layoff.
- (2) In the event the Employer feels it is necessary to contract out or subcontract any public work performed by employees covered by this Agreement, the Employer will notify the Union in writing no less than ninety (90) calendar days in advance. During the ninety (90) days the Employer will meet with the Union and discuss possible ways and means to minimize the elimination of positions. The ninety (90) day notice requirement will not apply to contracting or subcontracting out during emergencies. "Emergency" in this context means either as defined in Article 14.1(b) of the collective bargaining agreement, or as declared by the Ramsey County Board of Commissioners under the terms of the Ramsey County Charter, Section 5.03.
- (3) As the result of merger, transfer or reorganization of any department, no employee may be laid off or

ARTICLE 20 GENERAL PROVISIONS (Continued)

suffer any reduction in classification, pay or seniority except in the single instance where an employee refuses a job assignment consistent with their classification, pay and seniority rights provided by this Agreement.

- 20.7 Any subject matter placed in the employee's personnel file shall be served upon the employee in writing. Such matters that could be detrimental to the employee shall be a proper subject for the grievance procedure. All materials in an employee's file shall be available for the employee's inspection.
- 20.8 All Union members must attend Union meetings on their own time. If an employee wishes to attend a meeting held during their normal work schedule, they must notify the supervisor.
- 20.9 Two (2) employees designated by the Union will be invited to join the existing Safety Committee to address mutual safety concerns of employees and the employer. This committee will investigate employee complaints relating to safety and if the problem is confirmed, make recommendations to the department head to resolve the potential risk. If the department head has not responded to the Committee recommendations within 20 work days, the Committee may submit the matter to the County Manager's Office. The County Manager's Office will have 20 work days to respond. Danger to an employee's health or safety is recognized as a defense against discipline for refusal to start work or to continue work, but not as it relates to duties which are part of the job. Employees who have safety concerns may process such concerns through the Safety Committee, but not through the grievance procedures of the collective bargaining agreement.
- 20.10 In the event new technology is introduced changing the skill requirement of any position covered by this Agreement, the Employer will provide training to assist the employee in the affected position to acquire the necessary proficiency in the utilization of the newly-introduced technology.
- 20.11 Education Allowance: Any employee who in order to improve their work performance, takes courses which have a direct relationship to their current or future work or a position they can reasonably hope to advance to, may, upon submission of evidence of successful completion of such courses, be refunded the amount of the tuition. An employee desiring to take advantage of this training program must have the course work approved previous to enrollment by their department head. Factors upon which an employee's eligibility depends include the relevancy of the course work to the employee's position, the status of the educational institution and availability of funds, pursuant to the County's Tuition Reimbursement guidelines. Effective 1/1/19, tuition payments shall be limited to four thousand dollars (\$4,000) annually for any one employee. Employees otherwise eligible for a refund shall not submit claims for tuition reimbursement when such tuition has been or shall be paid by a federal plan of "benefits for veterans and service personnel" or by other sources.

ARTICLE 21 COMPLETE AGREEMENT AND WAIVER OF BARGAINING

- 21.1 This Agreement shall represent the complete Agreement between the Union and the County.
- 21.2 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make requests and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the complete understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the County and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- 21.3 Savings Clause. Should any article, section, or portion thereof, of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the court shall apply only to the specified article, section, or portion thereof directly specified in the decision; upon the issuance of such a decision, the parties agree immediately to negotiate a substitute for the invalidated article, section or portion thereof.

ARTICLE 22 TERM OF AGREEMENT

This Agreement shall be effective as of the first day of January, 2025, and shall remain in full force and effect until the last day of December, 2027. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing by June 1 that it desires to modify this Agreement. In the event that such notice is given, negotiations shall begin not later than July 1. This Agreement shall remain in full force and be effective during the period of negotiations or until notice of termination of this Agreement is provided to the other party in the manner set forth in the following paragraph.

In the event that either party desires to terminate this Agreement, written notice must be given to the other party not less than ten (10) days prior to the desired termination date. The termination date shall not be before the anniversary date set forth in the preceding paragraph.

This Agreement was approved by the Ramsey County Board of Commissioners on December 17, 2024, , Board Resolution B 2024-288, and signed by the parties as dated below.
